The patentee hereby petitions for a Certificate of Correction as shown on the attached page by deleting the words "of factors" in column 1 line 53 and replacing with the word "factor"; in column 2 line 15 after the word "by" inserting the word "the"; in column 2 line 48 deleting the word "if" after the word "shown" and substituting the word

"in"; and in column 5 line 24, deleting the word "filled" after the word "in" and substituting the word "fitted".

All the corrections set forth are merely grammatical. In claim 8, the word "fitted" in substituted for the word "filled." This was a transcription error on the part of the Patent Office. The word "fitted" was recited in the application.
